Print report by the New Indian Express – Mangaluru Desk

Dr. Edmond Fernandes's website (www.edmond.in) was hacked by Pak Cyber Hackers and anti-India sentiments were posted. Immediately after noticing the same Dr. Edmond Fernandes alerted the Mangalore City Police Commissioner, informed his web team to delete the anti-India comments and restored the site at the earliest. Dr. Edmond has been using the portal to connect with the public, give appointment to hear public grievance and help them find solutions and also to bring forth a new age thought process for sustainable development.
